MEN, GET REAL WITH YOUR FINANCES

Written by Bradley Vinson

Price: \$14.99 • 71 Pages • Paperback & Kindle

ISBN: 978-0-9894976-3-3

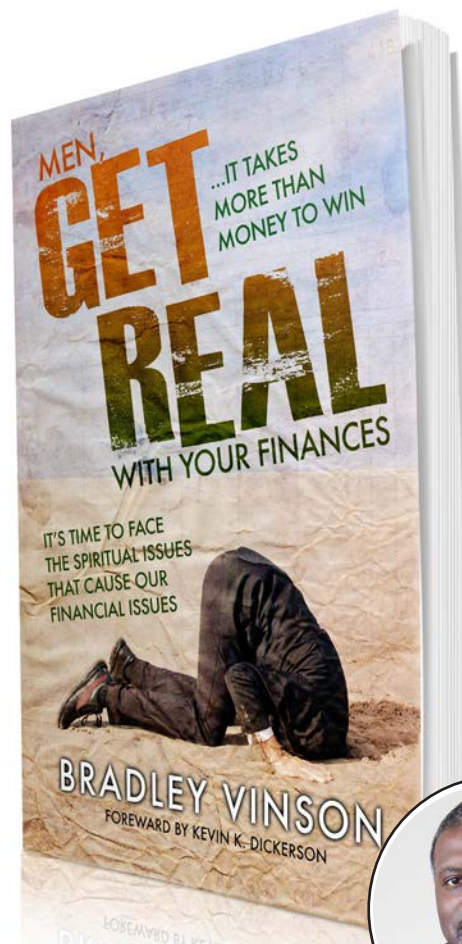

VC Publishing • PO Box 141701 • Irving, TX 75014

This book addresses the spiritual root causes of the money problems men face. Offering biblical solutions, that when properly and consistently implemented will improve the quality of life of men, their marriages, their families, and their future.

This book is for men who have had enough of business as usual and want to do something now about their financial condition. This book is for men who want to see change in their lives from the inside-out.

“Bradley Vinson masterfully focuses on the true foundation of financial success, understanding one’s true relationship with money, the psychology of money. Bravo, Bradley. Great book.”

Straight Talk About Women & Finances

Written by Bonita Vinson, Ph.D.

Price: \$14.99 • 79 Pages • Paperback & Kindle

ISBN: 978-0-9894976-6-4

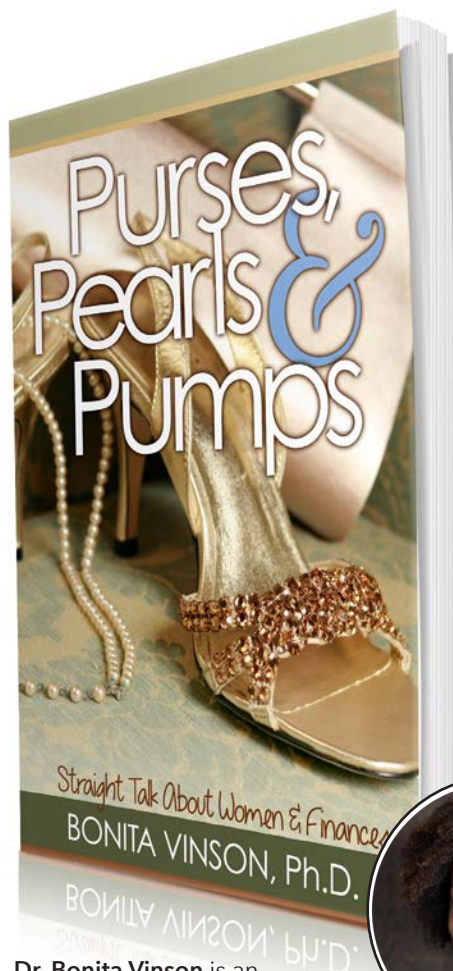

VC Publishing • PO Box 141701 • Irving, TX 75014

This book provides hope to women who are struggling with their individual or family financial situation. At any starting point, women can align themselves with this book from where they are financially and gain hope. They will walk away with examples and guidance on how to improve their financial situation. Women of all income brackets and ages, and walks of life have something to gain from reading and engaging in this book.

“This book talks about getting yourself out of debt while using real life situations to do so. It doesn’t matter if you are a single parent (like myself) single, married, whatever the case may be, this book is for you! Bonita Vinson did not sugarcoat a thing as she talks about financial responsibility and how to make your money situation work for you.”

Carla Towns— Reviewer
